Member Spotlight: Lillian Schell

Hello! My name is Lillian Schell. I am a Master's student studying I-O Psychology at Missouri University of Science and Technology. I work as a teaching assistant for the Psychological Science department as well as a part-time research analyst at Dot Foods Inc. In my free time, I enjoy cooking, listening to music, and making ceramics.

I joined GIOP January, 2022 as the Communications Director on the GIOP Executive Team. In this role I have had the opportunity to learn from industry professionals and connect with experts in the field. I have also had the opportunity to plan and brainstorm with leaders as well as grow my professional network. I am excited to meet more member of the GIOP community at the September 14th GIOP Kick-Off Event!

Regional MS students present at SIOP! Doing something cool? Send us a picture and we can share!
